# LEE GREEN BASKETBALL

### **ATTENDANCE POLICY:**

As a member of this organization, all players and parents should carefully read these policies to understand their responsibilities. The attendance policies are designed to provide a fair and objective measurement and a determination of players' overall participation, commitment, and responsibility. An attendance record is kept for all games and practices. The attendance records are used concerning tournament eligibility. \_\_\_\_\_initials

Excuse Procedure: All excuses, for absences, lateness, or tardiness, are to be e-mailed to the coach within 24 hours of the game or practice. Any absence a player knows of in advance must be submitted as soon as possible (i.e. a wedding, family reunion, etc.) to the Head Coach by email for planning purposes.

\_\_\_\_initials

Illness and Injury: If a player is mildly sick, he/she must come to practice or a game and be dismissed by a coach with an excused absence awarded. If a player is very sick and is unable to attend practice, an e-mail to a coach must be given as soon as possible.

All players must be picked up promptly at the end of practice.

All players are required to be on time for the pre-game warm-up and must be present for the entire basketball game. (unless excused due to illness or injury, or coach is aware).

A player is considered late when the player is not ready at the start of practice. The player will have to run a lap for each minute they are late. Parents should be prompt in picking up their child from practices and games. \_\_\_\_\_initials

Attendance for assigned games are mandatory (unless prior arrangements are made with the Head Coach).

All players must be ready to play in uniform 30-45 min before the start of the game, unless otherwise notified.

#### If a player is not at the game prior to the team warming up, the player may not get to play in the game.

We understand the importance of teaching our players how to earn their playing time. We feel telling our players that everyone will get equal playing time is taking away from them the opportunity to take ownership and pride in working hard and earning their playing time. We believe it's part of our responsibility to position our players for success in life for after basketball. We want to see all of our players succeed both on and off the court.

\_\_initials

**Attendance is very important**. We will make every attempt for each child to get playing time in a game. This is why practices are mandatory. During each practice we will be discussing strategies and game plans for the upcoming game. Therefore, if a player is not at practice for any reason, they will miss vital instructions, which will make it difficult for the player to play in the game.

The following procedure will be followed concerning absences:

- 1. One unexcused absence = verbal warning
- 2. 2-4 unexcused absences= shortened playing time
  - 2 unexcused absences = 5 min. less
  - 3 unexcused absences=10 min. less
  - 4 unexcused absences = will not play half the game (you still have to attend game)
- 3. 5-7 unexcused absences = sit out for one game (you still have to attend game)
- 4. 8+ unexcused absences = sit out for the entire tournament (you still have to attend tourney)

\_initials

If the player misses practices or games repeatedly (unless prior approval by the Head Coach) than the player will be suspended from the team.
