

## 2025 Spring and Summer Season

### **MISSION**

Lee Green Basketball's mission is to provide a structured basketball program for youth that will allow them to improve their skills and take them to the next level. By participating in our organization, our players will attain the characteristics of a positive role model, gain the attributes of a leader, acquire the knowledge to set obtainable goals and learn the fundamentals of basketball.

### **Playing on Multiple Select Basketball Teams (does not include school sports)**

We at Lee Green Basketball are committed to helping your child become a complete basketball player. We expect the same level of commitment from you and your child to our organization. **We require that your child fully commit to Lee Green Basketball until their agreement is fulfilled.** Regarding club basketball teams, we need your child to play only for the Lee Green Basketball Club team until their commitment is fulfilled. As an organization and parent, we prioritize keeping players free from injuries while developing into athletes. Participating in any select sport is a significant commitment. It is essential that you, as a parent, allow your child to get as much from the experience of playing select basketball as possible. **Playing on two select basketball teams simultaneously will put pressure on any child and could lead to potential "burnout."**

### **Tournament and League Fees**

All tournament and league fees will be due based on the breakdown you gave at the beginning of the season. Each player will be billed, and fees are due based on the payment schedule set up for your team. **If you need to catch up on any costs due to the organization, your son or daughter will be allowed to play in any tournament or practice once all fees are paid.**

**Practice:** Scheduling practice and obtaining gym space is the responsibility of Lee Green Basketball. Gym space will be reserved at \$40-\$75 per hour, depending on location. The practice and gym fees will be included in your total cost.

### **Total Cost to Play in Organization**

The total cost to play in the LGB program varies based on the team the athlete is placed on for the season. **By signing this agreement, you agree to pay your dues in installments.** If your child decides to leave the team in the middle of the season, **you will be liable for the remaining balance due.**

If payment is made late, a \$25.00 late fee will be assessed, and your child can participate in any sanctioned events or practices once all past-due payments are made. If a check does not clear the bank, a \$25.00 transaction fee will be charged. If the problem occurs more than once, payment must be received by cash or a cashier's check. If an account is paid in full, the athlete will be allowed to participate in any other Lee Green Basketball training opportunities once the account is paid. If there is a reason the payment cannot be made by the date specified, don't hesitate to get in touch with Nichole at [info@leegreenbasketballacademy.org](mailto:info@leegreenbasketballacademy.org)

### **Financial Aid**

The Lee Green Basketball organization provides limited financial aid to help parents offset the cost of playing in the organization.
