

Game Film Review Notes

1. What must you do before the screener screens for you on the inbound plays?

2. When we are running horns what must the ball handler do?

3. When we are running fist what are the two options, we can pass the ball to?

4. On X2 when must the first screener do to make sure we get the person at the elbow open?

5. Why should the person on the opposite box wait before they screen for the screener?
